Tuesday's Thought Week Two

Romans 12:6-8 reminds us that we all have different gifts, but each one has a purpose in the body of Christ.

You may not have the same gift as someone else, but that doesn't make your gift any less important! Remember, God designed us differently so we could work together for His glory.

You have a place. You have a purpose. You are needed in the body of Christ!

We must be diligent in the work God has gifted us to do. That means keeping Christ at the center, tending to our gifts daily, being purposeful in how we use them, and persistently working to produce fruit for His kingdom.

Today ask yourself: Am I faithfully and diligently using the gifts God has given me for His glory?
